Located in charming university community, Las Cruces offers 350 days a year of sunshine, warm weather, low cost-of-living, and surrounding mountain and desert landscapes provide for great outdoor recreation activities. Contact Sam Benevento, Director of Physician Recruitment, Memorial Medical Center, 2450 South Telshor Boulevard., Las Cruces, NM 88011, 575-532-7404, Fax: 575-556-5837, samyeann.benevento@lpnt.net.

WISCONSIN

ACADEMIC FELLOWSHIP IN PRIMARY CARE RESEARCH, MEDICAL COLLEGE OF WISCONSIN. Applications are being accepted for 2-year, full-time training for family physicians committed to a career in primary care and community-based research, teaching, and academic leadership. Competitive stipend, benefits, masters tuition, and career development support are provided. Contact Linda Meurer, MD, MPH, Director at 414-456-4243, or lmeurer@mcw.edu, or see: <http://www.mcw.edu/display/router.asp?docid=7236>.

Dynamic 7-7-7 dually-accredited family medicine residency program at Central Maine Medical Center is seeking to add a BE/BC DO or MD to our eight family physician faculty and one behavioral scientist. Teaching strongly emphasized – opportunities include an inpatient family medicine teaching service (with EMR); outpatient precepting in the family medicine center (EMR, advanced access, patient centered medical home); elder teaching, including office, home and institutional care; and maternity care (not required). Passion for teaching, innovation and caring for the underserved is a must. Successful applicant will develop their own continuity panel and function as a vital member of a clinical team. WIMP (Wilderness and International Medicine Program) and rural medicine track solidly in place.

Full-time position, (4 days + full call averaging 1:7) but part-time candidates will be considered. Competitive salary and compensation package. Excellent communication skills and teaching commitment are expected and previous teaching experience is preferred.

Enjoy the professional challenges offered in a sophisticated health care organization located in a catchment community of 100,000. Home to Bates College and 2 plus hours north of Boston.

Wonderful recreational opportunities and a high quality of personal and family life can be expected.

To learn more go to: www.cmmcfmrp.org, and www.cmmc.org.

Please send your CV or contact Julia Lauer, CMMC, 300 Main Street, Lewiston, ME 04240

RESIDENCY FACULTY FAMILY MEDICINE GREENSBORO, NORTH CAROLINA

The Moses Cone Family Medicine Residency Program seeks a board-certified, full-time family medicine physician with interest and experience in residency education to join its faculty. The position offers opportunities for curriculum development, teaching, resident supervision, patient care, and clerkship coordination for medical students. Interest and experience in women's health, prenatal care, and obstetrics-delivery skills are desirable.

Our 8-8-8 program is community-based and affiliated with the University of North Carolina-Chapel Hill. We consistently attract high-quality family medicine residents and enjoy a healthy and happy faculty invested in the success and well-being of the program. For more information about our program or community visit our Web site at: www.gahec.org/FM/default.htm.

Greensboro, a growing and vibrant family-oriented community of 250,000 plus with a referral area covering about 500,000 plus, is located in the Piedmont region of North Carolina. Greensboro offers multi-cultural activities, parks, golf, sporting events, and is within an easy driving distance to the mountains and the beach.

For more information or to be considered for the position, contact or send your letter of interest and CV to:
